Your Trusted
Partner in
**Comprehensive
Health &
Wellness
Services**

At iSON Health, we provide a **wide range of healthcare services**, ensuring seamless access to **teleconsultation, specialist care, chronic disease management, home country treatment, wellness programs, and more**. Our commitment is to offer **personalized, end-to-end healthcare support**, making quality medical care more accessible and convenient for you and your family.

We go beyond telehealth to deliver a **holistic healthcare experience** through our strong network of providers and dedicated care teams. Whether you need **medical consultations, expert second opinions, long-term care management, or assistance with navigating healthcare services**, iSON Health is here to support you at every step.

Medi Buddy, our dedicated support resource, ensures smooth coordination of all your healthcare needs—acting as a personal healthcare concierge to assist you with appointments, insurance queries, treatment coordination, and more.

Our Core Services

TELECONSULTATION

- 24/7 access to GP & Family Medicine doctors via video or voice calls.
- Prescriptions, sick leave certificates, and referrals provided as needed

CHRONIC DISEASE MANAGEMENT (CDM)

- Personalized programs for conditions like diabetes, hypertension, and heart disease.
- Regular follow-ups, medication support, and lifestyle guidance.

HOME COUNTRY TREATMENT

- Facilitating access to healthcare services in your home country.
- Coordination with trusted medical providers.

SECOND MEDICAL OPINION (SMO)

- Expert opinions from a global network of specialists.
- Ensuring confidence in critical medical decisions.

WELLNESS & PREVENTIVE CARE

- Nutrition, mental health, and lifestyle coaching.
- Personalized wellness plans to enhance overall health.

MEDI BUDDY

- Your dedicated healthcare concierge, available to assist with appointment scheduling, insurance support, and treatment coordination.

DIGITAL HEALTH ASSESSMENT

- AI-driven health assessments to provide personalized health insights.
- Proactive recommendations for a healthier lifestyle
